The same identical bulbs that we have been selling right along at $1.50. I guarantee every collection to contain every one of the fifteen highest esteemed Gladiolus, as determined by the Official Ballot of the American Gladiolus Society; also a few other extra choice varieties of which our stock was not sufficient to list. I now offer you 50 bulbs, same size, same quality, unlabelled, for $2.00 POSTPAID TO YOUR DOOR. See page 3 of my Spring Catalog for descriptions. With each collection of 50 Gladiolus for $2.00 I will give justifiable for this magnificent new fragrant Gladiolus. A price of $5.00 a bulb would be justifiable for this magnificent new fragrant Gladiolus, but I am giving it free as above.

(B. L. P. writes: "Last year I had two of your Fifteen World's Best Gladiolus collections. These were exhibited at two fairs and won first prize at each showing. 'Just Wonderful' was the expression of all who saw them.")
